Andrew and Simon Peter

How much did the poor fishermen leave behind? Someone may wonder: At the Lord's beckoning, what or how much did these two fishermen, who scarcely had anything, leave behind? On this, my beloved, we should attend to one's intention rather than one's wealth. That person has left behind a lot who keeps nothing for himself, who, though he has little, gives up everything. We tend to be attached to those things we own, and those things we scarcely own, we carefully hold on to. Therefore Peter and Andrew left much behind when they left behind covetousness and the very desire to own. That person has left much behind who renounces with the thing owned the very coveting of that thing. Therefore those poor who followed Jesus left behind just as much as those less poor

who did not follow him but were able to covet.

So when you notice that some have left a great deal behind, you need not say to yourself, 'I want to imitate those who disdain this world, but sorry, I have nothing to leave behind.' You will leave much behind, my brothers, if you renounce earthly desires. External things, however small they may be, are sufficient for the Lord, since he looks at the heart and not at our material goods. Nor does he judge by how much is involved in our sacrifice but from how much it is made. For if we judge by external goods, our holy merchants traded in their nets and vessels for the perpetual life of the angels.

Second Sunday after Pentecost

At that time, as Jesus walked by the Sea of Galilee, he saw two brothers, Simon who is called Peter and Andrew his brother, casting a net into the sea; for they were fishermen. And he said to them, "Follow me, and I will make you fishers of men." Immediately they left their nets and followed him.

When Our Lord called His disciples, they left immediately, left their nets, and they didn't look back. They left with many weaknesses. We can see them. Their warts are shown in the scriptures: they argued with one another, they joustured with one another to see who would be the greatest, they had lack of faith, they even denied Our Lord, and not just Peter, by the way; all of them were afraid, even the beloved disciple John, who followed from a distance. They all had human frailties. But they did as the good farmer that Our Lord speaks about in a parable: you put your hand to the plow. And no one who wants to plow a field looks back, because then the furrows will be not straight, and you will not get as much fruit from the ground.

This is the key for us on this Sunday. Have you left your nets? Our Lord called James and John, the sons of Zebedee, and straightway they left their nets. The "nets" are the "world", in this context. The spiritual, the inner meaning, of the nets is this: all the things which entangle us. Have you left your nets? Or do you still keep nets around? I'm not talking about whether or not you fall into sin. We are sinners. We should not be surprised when we sin. We all have weaknesses, passions. Today we are talking about our priorities. Have you left your nets? Do you understand? Do you live your life in accordance with the fact that Christianity must be a continual ascent, away from the earth, into heaven? That is a continual change, a continual changing of one's mind. This is warfare till the last breath. This is what Christianity is. You must leave your nets. Christianity is not only what we believe; it's how we act, it's what we become. It's not possible without belief, but belief is only the beginning, just like when the grain of mustard seed is put into the ground. That is only the beginning. That is only the start. Then the seedling starts to grow. Many things endanger the seedling, but eventually, with care, it becomes a great tree. This is what we must do. We must have the priority to grow, to change. This is Christianity. This is the essence. Amen.

Congratulations Jubilarians!

Our St. Michael Church offers Congratulations to parishioners **NICHOLAS & AGNES IHNAT** who are celebrating their **65th Wedding Anniversary**. They were married on June 14, 1958. Flag Day on Wednesday

On **June 14th**, our nation observes Flag Day. Flag Day was first observed in 1877 on the 100th anniversary of the Continental Congress' adoption of the Stars and Stripes as the official flag of the United States. In that year, Congress asked that all public buildings fly the flag on June 14. The idea quickly caught on and many people wanted to participate in waving the flag. One early supporter was B. J. Cigrand, a Wisconsin schoolteacher who wanted June 14 to be known as "Flag Birthday." In 1916, President Woodrow Wilson proclaimed Flag Day as a national celebration. However, the holiday was not officially recognized until 1949 when President Harry Truman signed the National Flag Day Bill.

Flag Day Ceremony Next Sunday

The GCU will have a Flag Day celebration **next Sunday, June 18th** following the Sunday Divine Liturgy and our flag pole. New USA and Papal flags will be raised with a brief program. All are welcome! Any military veterans who are available are invited to help with the raising of the flags. We hope to see you there.
