A Word of Warning

Store up in your minds the Lord's words which you receive through your ears, for the word of the Lord is the nourishment of the mind. When His word is heard but not stored away in the memory, it is like food which has been eaten and then rejected by an upset stomach. A person's life is despaired of if he cannot retain his food. So if you receive the food of holy exhortations, but fail to store in your memory those words of life which nurture righteousness, you have good reason to fear the danger of everlasting death. Be careful, then, that the word you have received through your ears remains in your heart. Be careful that the seed does not fall along the path, for fear that the evil spirit may come and take it from your memory. Be careful that the seed is not received in stony ground, so that it produces a harvest of good works without the roots of perseverance. Many people are pleased with what they hear and resolve to undertake some good work, but as soon as difficulties begin to arise and hinder them they leave the work

unfinished. The stony ground lacked the necessary moisture for the sprouting seed to yield the fruit of perseverance.

Good earth, on the other hand, brings forth fruit by patience. The reason for this is that nothing we do is good unless we also bear with equanimity the injuries done us by our neighbors. In fact, the more we progress, the more hardships we shall have to endure in this world; for when our love for the present world dies, its sufferings increase. This is why we see many people doing good works and at the same time struggling under a heavy burden of afflictions. They now shun earthly desires, and yet they are tormented by greater sufferings. But, as the Lord said, they bring forth fruit by patience, because, since they humbly endure misfortunes, they are welcomed when these are over into a place of rest in heaven.

Message From Our Pastor

October 15, 2023

Dear St. Michael Parishioners:

The Parish Advisory Council of our St. Michael Parish, at our last meeting, has recommended to me, that in addition to listing weekly donations, a weekly recap of our monetary collections should be printed every week in the parish bulletin. This is to emphasize on how well we are doing, as well as to show our shortcomings in configuring expected expenditures for 2023 and every following year. From now on in each bulletin, a chart (as seen below) will be published on the back page to show this.

The required amount represents the offertory portion of our total income in equal weekly buckets to meet expenses. The top row represents the previous week and the bottom row represents 'Year To Date'. This weekly chart will NOT be comprised of any finances regarding "Raise the Roof", parish fundraisers, parish monthly dinners, or anything extra outside of a weekly collection at liturgies. Below is the chart from last weekend.

Sincerely,
Fr. Kevin

Celebrating the 7th Ecumenical Council today

The Seventh Ecumenical Council was held in Nicea September 24-October 23, 787. It was the Second Ecumenical Council held in the city of Nicea and is also known as the Second Council of Nicea. In the eighth century an outburst of heated controversy concerning the sacred images, the holy icons: Were they true worship, or were they idolatry which is forbidden by the Ten Commandments? The conflict broke out in 730 when Byzantine Emperor Leo III order the destruction of icons. This action met with great opposition especially from the monastic community. This controversy raged through the succeeding decades. Upon the accession to the throne of Empress-Regent Irene who favored the veneration of the holy icons, an Ecumenical Council was called to judge what the teaching regarding the holy images should be. The Seventh Council did not merely declare that using the holy images was acceptable. Rather, they went so far as to declare that refusal to use the holy icons and to venerate the holy images is a denial of the incarnation of the Word of God, Jesus Christ! The Council went on to solemnly define that the veneration of images is quintessentially true worship. The seventh session of the Council held on October 13 formulated this decree which is why the Church still reserves the Sunday between October 11-17 for the commemoration of the Holy Fathers who participated in this 7th Ecumenical Council.
